

Parents and Guardians,

East Lyme Public Schools will **not** have after school childcare on half days or early dismissals.

Morning childcare will not be effected by this. Please note that your child will need to be dismissed during your school's half-day dismissal time.

If you have any doubts as to whether or not your school will hold after school clubs or sports, please check with your main office, or your school's website. School and District calendars can also be found online, or in your school's offices.

If you have any questions or concerns, please contact the extended day program coordinator, Emberleigh L Luce via e-mail, at

Emberleigh.luce@eastlymeschools.org

Thank you for your continued support of our programs!
