

Niantic Center School PTA Membership Form

NCS PTA has a varied group of parents who have volunteered to work together, in large groups, small groups, or individually, to help organize fundraising events that enable us to provide enrichment opportunities and encourage family involvement for our NCS children. Please join us in helping our school. We would love to have your help!

The number one benefit of PTA membership for parents is the ability to help their children. At NCS, our PTA raises funds for and plans activities to enrich our children's learning experiences. PTA sponsored activities include: Family Summer Reading Bonfire Night, First Day of School Coffee Hour, Family Nights, Afterschool Activities, Assemblies, Birthday Books, Book Fairs, Breakfast with a Buddy, Carnival, Field Day, Gift Making Nights, Grandparents Day, Halloween Bingo, a newsletter, a school directory, Staff Appreciation Week, School T-Shirt Sales and MORE! It is a rewarding and fun involvement!

When you join NCS PTA you are automatically a member of the Connecticut and National PTA. In addition to information from local and state PTAs, members also receive from National PTA:

- Access to the online version of *Our Children* magazine
- *The PTA Parent*, an e-newsletter that covers parenting topics
- *This Week In Washington*, an e-newsletter produced weekly when Congress is in session that explains legislation affecting families and public education
- Free e-learning courses on PTA basics, as well as on subjects that can be applied to their personal lives, including conflict resolution and goal setting
- Discounted member rates for National PTA's annual convention and on subscriptions to the print version of *Our Children*
- Access to join the Member-to-Member Network, the grass-roots advocacy system that connects PTA members with members of Congress.

Visit www.pta.org to sign up for e-newsletters, read *Our Children* magazine articles and take e-learning courses. Thank you for your consideration.
