The Mission of the East Lyme Summer School Program is to be an educational partner in a community effort to empower each student to learn the information and skills necessary to be responsible, independent, and productive lifelong learners.
Summer School Framework

East Lyme High School offers a **CREDIT RECOVERY PROGRAM** to provide students the opportunity to earn credit for required courses in which they were unsuccessful during the academic school year. The East Lyme Board of Education guidelines state: “in order to be eligible for summer school, per class, a student must have completed 60% of the work during the school year and must have had an overall average of 50% or higher. A recommendation by the classroom teacher or school is mandatory.”

East Lyme High School, in an effort to maintain a level of valued traditionalism, has created a financially affordable program that allows struggling students to receive necessary face to face, small-group instruction while respecting each family’s busy schedule. Here, all students will be granted access to a summer school program based upon their specific academic needs while having the opportunity to engage in meaningful and individualized dialogues about a given task or lesson. Such mandatory in-class sessions will occur each Monday, Tuesday, and Wednesday throughout the summer session, from either 8am-10am (class 1) or 10am-12pm (class 2) at ELHS (contact Brad Normand, Director for specific course scheduling). While no classes are held on Thursdays or Fridays during the summer session, there will be various assignments, inclusive of homework, assigned throughout. A Final Exam will be held on August 1, 2016 from 8am-10am or 10am-12pm (class dependent). Additionally, teachers will be available for individual student meetings throughout the 5-weeks as necessary and upon prior request. Tutoring, on an individualized basis (as needed or upon request) will also be available on Monday-Wednesday throughout the session (please see Director for specifics).

East Lyme High School is also pleased to offer an **ENRICHMENT PROGRAM** to students wishing to improve their skills or knowledge base in academic areas where they have previously received credit. Such courses are offered on a Pass/Fail basis only, and while they will be included on a student’s transcript as such, they will NOT be included or play a role in a student’s GPA.

**Those students who are not East Lyme High School students should check with their school about credit acceptance prior to registration.**

---

**Registration**

- Registration may be completed in-person (dates below) or via received postal-mail (anytime prior to June 24, 2016).
- To register in person at **East Lyme High School**:
  - Friday, June 10: 12:00pm-2:00pm

**Summer School Policies**

Students will be required to attend ALL scheduled classes (days/hours) and must complete the coursework according to teacher expectations. To meet the credit recovery requirements and earn credit, **all course-work must be successfully completed before August 1, 2016**. Completion of course-work includes all in-class lessons, homework, and other requirements such as summer reading assignments, research papers, exams, etc. Please refer to individual teacher expectations for further information.

The East Lyme High School Handbook rules are in effect while summer school is in session. Please refer to the website for a copy of the handbook. Standards of dress remain the same as those during the regular school year. Footwear must be worn.

East Lyme High School reserves the right to dismiss any student for just cause. A dismissal of a student will result in forfeiture of tuition. Fighting, possession of weapons, and possession and/or use and/or sale of drugs/alcohol will result in immediate dismissal from summer school. If warranted, the East Lyme Police Department will be contacted.
