*Director of Finance, Marketing,
and Growth Management*

December 13, 2020

Dear ELPS Staff, Parents, and/or Guardians,

We have been notified this weekend of a positive COVID-19 case specific to Niantic Center School. The last time the individual was onsite was December 4, 2020. Contact tracing has been completed regarding this case. Any individual identified as a primary contact has been spoken with and will be emailed a follow-up letter regarding quarantining measures that they will need to follow.

Niantic Center School will be open on Monday, December 14, 2020. Additionally, there is no impact on other buildings regarding this specific case.

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions, while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to the school administration team or contact our Central Office.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
