and Growth Management*

December 17, 2020

Dear ELPS Staff, Parents, and/or Guardians,

We have been notified of two additional positive COVID-19 cases. One specific to Lillie B. Haynes School and one within Niantic Center School. The last time the individuals were onsite was December 8, 2020 and December 15, 2020. Contact tracing has been completed regarding these cases. Any individual identified as a primary contact has been spoken with and will be emailed a follow-up letter regarding quarantining measures that they will need to follow.

Lillie B. Haynes School and Niantic Center School will be open on Friday, December 18, 2020. Additionally, there is no impact on other buildings regarding these two specific cases.

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions, while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to the school administration team or contact our Central Office.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
