Dear ELPS Staff, Parents, and/or Guardians,

We have been notified of two positive COVID-19 cases specific to East Lyme High School and Niantic Center School. The last time the individuals were onsite was November 20, 2020 and December 18, 2020. Contact tracing has been completed regarding this case. Any individual identified as a primary contact has been spoken with and will be emailed a follow-up letter regarding quarantining measures that they will need to follow.

**East Lyme High School and Niantic Center School will be open for all staff on Wednesday, December 23, 2020 and students will return on Monday, January 4, 2021. Additionally, there is no impact on other buildings regarding these specific cases.**

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions, while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to school administration or contact our Central Office.

Sincerely,

Jeffrey R. Newton  
Superintendent of Schools
