and Growth Management*

December 4, 2020

Dear Parents/Guardians,

We have been notified of a positive COVID-19 case today, Friday, December 4, 2020, specific to East Lyme High School. The last time the infected individual was onsite in the building was November 24, 2020. Contact tracing has been completed regarding this case. Any individual identified as a primary contact has been spoken with and emailed a follow-up letter regarding quarantining measures that they will need to follow.

East Lyme High School will be open on Monday, December 7, 2020. Additionally, there is no impact on other buildings with this specific high school case.

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions, while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to the school administration team or contact our Central Office.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
