and Growth Management*

December 6, 2020

Dear ELPS Staff, Parents, and/or Guardians,

We have been notified of three positive COVID-19 cases this weekend. One case specific to Lillie B. Haynes School and the last time the individual was onsite was November 24, 2020. One case specific to East Lyme Middle School and the last time that individual was onsite was December 1, 2020. One districtwide individual case not directly affiliated with any of the school buildings. Contact tracing has been completed regarding all three of these cases. Any individual identified as a primary contact has been spoken with and will be emailed a follow-up letter regarding quarantining measures that they will need to follow.

Lillie B. Haynes School and East Lyme Middle School will be open on Monday, December 7, 2020. Additionally, there is no impact on other buildings with these specific cases.

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions, while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to the school administration team or contact our Central Office.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
