*Director of Finance, Marketing,  
and Growth Management*

October 13, 2020

Dear Parents/Guardians,

We have been notified of a positive COVID-19 case today, Tuesday, October 13, 2020, specific to East Lyme High School. Contact tracing has begun, and we will reach out to any individual deemed a primary contact in this case. East Lyme High School continues to work remotely until our scheduled return of students on **Thursday, October 22, 2020**. **There is no impact on that slated date of return for high school students at this time. Additionally, there is no impact on other buildings with this specific high school case.**

Those individuals identified as primary contacts at East Lyme High School will be contacted directly and emailed a follow-up letter regarding quarantining measures that they will need to follow.

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to the school administration team or contact our Central Office.

Sincerely,

Jeffrey R. Newton  
Superintendent of Schools
