PREAMBLE

This Agreement entered into by and between the East Lyme Board of Education (hereinafter referred to as the "Board") and Local 1303-138 of Council #4, AFSCME, AFL-CIO (hereinafter referred to as the "Union"), in order to increase harmonious relationships between the Board and its employees.

ARTICLE I RECOGNITION

Section 1.1

The Board recognizes the Union as the exclusive representative of all non-certified administrative assistants, account clerks, library assistants, office managers, payroll clerk, and secretaries working twenty (20) hours or more per week, excluding the Executive Assistant to the Superintendent, the Executive Assistant to the Assistant Superintendent, the Human Resources Generalist, and the Business Supervisor for the purpose of collective bargaining with respect to wages, hours, and other conditions of employment within the meaning of the Municipal Employee Relations Act.

ARTICLE II MANAGEMENT RIGHTS

Section 2.1

It is recognized that the Board of Education has and will continue to retain the responsibility and prerogative to direct the operations of the public school system in the Town of East Lyme in all its aspects, including, but not limited to, the following: to maintain public elementary and secondary schools and such other education activities as in its judgment will best serve the interest of the Town of East Lyme; to give the children of East Lyme as nearly equal advantages as may be practicable; to decide the need for school facilities; to determine the care, maintenance and operation of buildings, lands, apparatus, and other property used for school purposes; and to employ, transfer, suspend, or dismiss employees of the Board in the manner provided by statute and in accordance with the provisions of the Agreement. These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same should not be exercised in a manner inconsistent with, or in violation of, any of the specific terms and provisions of the Agreement.

ARTICLE III UNION SECURITY AND DUES DEDUCTION

Section 3.1

Upon the submission of a voluntary written authorization signed by a member, the Board agrees to deduct from each member's pay an amount equal to the union annual membership dues or other voluntary service fees by means of payroll deduction in accordance with said authorization. The

amount of the deduction from each paycheck shall be equal to the total union membership dues divided by the number of paychecks from and including the first paycheck in September through and including the last paycheck in June. The amount of Union membership dues shall be certified by the Union to the Board prior to January 1 of each calendar year.

The parties recognize that the authorization of payroll deductions is an agreement solely between the Union and its members which the member may revoke consistent with the Union's membership rules. Should a bargaining unit member approach the Employer or its agent to terminate or modify his or her contractual relationship with the Union, that bargaining unit member will be directed to communicate such intent directly with the Union. The Board will wait for authorization from the Union before stopping dues deductions.

Section 3.2

Such payroll deductions as provided herein shall be remitted to the Council 4 office of the Union by the fifteenth (15th) day of the next month following the month in which dues or voluntary fees were deducted along with a list of names of the employees from whom the deductions have been made.

Section 3.3

The Union agrees to defend and to hold the Board harmless against any and all claims, demands, suits, or other forms of liability that shall, or may, arise out of, or by reason of, action taken by the Union for the purposes of complying with the provisions of this Article.

Section 3.4

Within thirty (30) days of hire, new hires shall be released from work for one (1) hour, without loss of pay, to attend a union orientation. The scheduling of such orientation shall be mutually agreed upon between the Union and the Administration to minimize disruption to the District's operations.

Section 3.7

The Board shall allow the employees to make a voluntary PEOPLE deduction from their pay. Once authorized, the Board will continue to make the deduction unless and until the bargain unit member provides written notice to the Board that the authorization has been revoked. The Board shall, upon request of the Union no more than once annually, prepare a list of all participating employees.

Section 3.8

The elected Local Union's Officers shall have top seniority in the bargaining unit in the event of layoff.

ARTICLE IV
NO LOCKOUT OR STRIKE

Section 4.1

There shall be no strike, slowdown, suspension, sick-out, or any other individual or concerted interference with the operation in any part of the work of the Board's operation by the Union or any of its individual employees, nor shall there be any lockout by the Board in any part of the Board's operation. Any employee who engages in such activity shall be subject to disciplinary action, up to and including discharge.

ARTICLE V
APPOINTMENTS, ASSIGNMENTS, AND TRANSFERS

Section 5.1

A notice of vacancy or newly created position(s) will be posted in each school building and in the central office for ten (10) business days, unless the parties mutually agree to change the number of days posted. All posted positions shall state the specific job title, school, indicate whether a 10, 11, or 12-month position and expected hours of work. In addition, the Union President shall receive an electronic copy of all posted positions and all approved letters of hire.

Section 5.2

No permanent appointments will be made until the posting procedure has been followed. The Union President shall receive electronic copies of anticipated assignment letters when they are sent out each year. Ten and Eleven Month Employees shall be notified on or before May 15th of each year the return date to report to work for the following school year.

Section 5.3

Whenever qualifications are relatively equal, as solely determined by the Superintendent of Schools, seniority shall be the deciding factor with respect to transfer, promotions, filling of vacancies, or new positions and transfers from ten (10) to eleven (11) month or twelve (12) month positions. In any arbitration, the arbitrator shall not substitute his/her judgment for that of the Superintendent in applying the relevant standards for qualifications unless the Superintendent can be shown to have acted arbitrarily or capriciously.

Section 5.4

All new positions shall be posted, and whenever qualifications are relatively equal, as determined by the Superintendent, bargaining unit employees shall have preference over new hires provided they are deemed qualified to perform the work available.

Section 5.5

When promoted or transferred to a higher classification, employees shall move to the same step in the new classification.

Section 5.6

Temporary Duty. The Administration will make a good faith effort to use union members during the school year to perform any temporary work or, if necessary, to offer union members the opportunity to work overtime to fulfill the requirements of any temporary duty. Temporary duty shall be defined as work outside the scope of the bargaining unit member's normal work day, which may include summer work, which may arise on an as needed basis within the bargaining unit member's department or within the District. In filling the temporary work assignments, seniority will be considered, but will not be the determinative factor if the most senior volunteer does not possess the requisite qualifications to perform the temporary work.

Section 5.7

Short Term Leave of Absence. If a bargaining unit member is out on an approved leave of absence for twenty (20) working days or more, the Board shall have the right to hire a temporary substitute from outside the bargaining unit to fill the position until the bargaining unit member returns from their leave. Such substitute will be paid at a rate as determined by the Board.

ARTICLE VI **HOURS OF WORK**

Section 6.1

All full-time employees shall work seven and one half (7.5) hours per day not including thirty (30) minutes for lunch, unless otherwise designated to work the lunch hour, in which case the one-half (1/2) hour is included within seven and one half (7.5) hour workday.

Section 6.2

The Board shall designate starting times. In the event starting times need to be changed on a temporary basis, affected employees shall be notified in writing at least twenty-four (24) hours in advance. Any permanent changes in starting times require two (2) weeks' advance written notice.

Section 6.3

The normal work week shall be thirty-seven and one half (37.5) hours, Monday through Friday, but the Board may make changes or additions for good cause.

Section 6.4

In the event schools are closed for students but central office or school buildings remain open, employees are expected to report to work if their immediate supervisors are required to report to work. Employees who do not report to work on such days will be required to utilize a personal or vacation day. In the event that the Superintendent of Schools closes the entire school district, including central office, employees will be allowed to stay home, or be sent home without loss of pay.

Section 6.5

Employees shall receive a full day's pay if they are dismissed early, but shall not receive such pay simply because schools are dismissed early.

Section 6.6

Employees working more than forty (40) hours in one (1) week shall be paid overtime at one and one-half (1-1/2) times their regular rate.

Section 6.7

Employees scheduled to work less than seven and one-half (7.5) hours per day may arrange unpaid lunch periods with their immediate supervisors.

Section 6.8

Work year shall be defined as follows:

12 - month employee = 260-261 days based on the number of week days in a given calendar year.

11 - month employee = 240 days

10 - month employee = 226 days

For each school closure day, a day will be added in June and July until the 226 contractual days are worked.

Section 6.9 - Summer Flex Schedule

Summer hours are effective for one month, commencing the Monday following July 4th and ending seven (7) work days prior to the first day of the student school year. The summer option schedule is as follows:

Same as regular school schedule or 8:00 a.m-4:00 p.m. Monday-Friday (includes a 30 minute daily lunch)

7:30-3:30 Monday -Friday ((includes a 30 minute daily lunch)

Monday -Thursday 7:30 AM-4:00 P.M. and 6 hours Friday (7:30-1:30)

Employees must notify their supervisor of their preferred option by June 15th.

ARTICLE VII
SENIORITY

Section 7.1

Notwithstanding the recall rights of employees who are laid off (Section 8.5), seniority is defined as an employee's total length of service within the bargaining unit, uninterrupted by voluntary termination of employment.

Section 7.2

Seniority shall be deemed broken by involuntary resignation, termination, unauthorized leave of absence, and failure to return on recall from layoff provided adequate notice is given.

Section 7.3

Newly hired employees shall serve a probationary period of ninety (90) days, during which period they shall attain no seniority rights under this Agreement but shall be subject to all other provisions. Probationary employees may be discharged at the will of the Board, and no such action shall be subject to the grievance procedures of this Agreement.

Section 7.4

Upon successful completion of the probationary period, seniority shall accrue retroactive to the date of hire.

ARTICLE VIII
REDUCTION IN FORCE

Section 8.1

The Board shall have the sole discretion to determine when it is necessary to lay off employees.

Section 8.2

Before any layoff takes place within the bargaining unit, all newly hired probationary employees shall be laid off first. Employees shall be laid off in inverse order of seniority, and an employee scheduled for layoff may, if he/she desires, replace the least senior employee covered by this contract in an equal or lower job classification, provided the bumping employee is qualified to perform the work of the employee whom he/she bumps. The determination of qualifications shall be solely determined by the Superintendent of Schools. If the employee does not possess the qualifications to perform the work of the least senior employee, the employee scheduled for layoff may replace the next least senior employee whose work the employee is qualified to perform. In any arbitration, the arbitrator shall not substitute his/her judgment for that of the Superintendent in applying the relevant standards for qualifications unless the Superintendent can be shown to have acted arbitrarily or capriciously.

Section 8.3

Laid-off employees shall be recalled in inverse order of layoff provided the employee is qualified, as solely determined by the Superintendent to perform the work available. In any arbitration, the arbitrator shall not substitute his/her judgment for that of the Superintendent in applying the relevant standards for qualifications unless the Superintendent can be shown to have acted arbitrarily or capriciously.

Section 8.4

No part-time and new employees will be hired while bargaining unit employees who are qualified to perform the available work remain on layoff.

Section 8.5

Employees will be eligible for recall for twenty-four (24) months, provided the following conditions are met:

- A. Failure to respond, by certified mail, return receipt requested, within seven (7) calendar days notice of a job opening by a person on the recall list shall result in that person being dropped from the recall list.
- B. An employee who declines an offer of a position shall be dropped from the recall list.
- C. An employee on the recall list shall be responsible for keeping the Board informed of his/her current address. Notice of openings will be sent certified mail, return receipt requested, to the most recent address provided by the employee. Returning individuals must return to work within thirty (30) calendar days from the date of the mailing of the notification or the date the position becomes open, whichever occurs later.
- D. Due to a short term medical condition, if an employee is unable to report to work on the day the opening is to be filled, the Superintendent may elect to extend the deadline or ask that the employee provide documentation from a medical doctor in order to decline the job offer and still remain on the recall list.

ARTICLE IX **GRIEVANCE PROCEDURE**

Section 9.1

A grievance is a written claim filed by an employee and/or the Union alleging a misinterpretation or misapplication of a specific provision of the Agreement. All grievances must advise the Board of the specific provisions claimed to have been violated, the nature of the grievance, and the remedy requested. The following steps are agreed to for formally settling properly filed grievances.

Section 9.2 - Procedure

Step 1 - Building Principal/Immediate Supervisor

A grievance shall be filed with the principal/immediate supervisor within fifteen (15) working days after the aggrieved knew or should have known of the occurrence upon which the grievance is based. Working days exclude weekends, school vacations and holidays. This matter will be discussed and a written decision given to the aggrieved and/or his/her representative within fifteen (15) working days following such review.

Step 2 - Superintendent of Schools

If the grievance is not resolved at Step 1, the aggrieved may seek further review by presenting the grievance to the Superintendent of Schools within fifteen (15) working days following receipt of the decision at Step 1. The Superintendent or his/her designee shall confer with the aggrieved and/or his/her representative and, if the grievance is not resolved, render a written decision within fifteen (15) working days of such discussion.

Step 3 - Board of Education

If the grievance is not resolved at Step 2, a review of the grievance may be requested of the Board of Education by filing a written request for appeal to the Board within fifteen (15) working days of receipt of the Superintendent's decision at Step 2. The Board of Education or its designated committee shall confer with the aggrieved and/or his/her representative and issue a written decision within fifteen (15) working days of such review.

Step 4 - Impartial Arbitration

If the grievance is not resolved at Step 3, the Union only may submit the matter to the Connecticut State Board of Mediation and Arbitration for arbitration within thirty (30) days of receipt of the Board's decision at Step 3. The authority of the arbitrator(s) shall be limited to the terms and provisions of this Agreement and the question or questions submitted. The arbitrator(s) shall be bound by this Agreement and shall not have the power to add to, delete from, or modify in any way any of the provisions of this Agreement. The decision of the arbitrators(s) shall be final and binding on the parties in accordance with law. The total cost of the grievance arbitration shall be borne equally by the Union and the Board.

Section 9.3

Failure by the aggrieved at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision at that level.

Section 9.4

In the event the administrator involved fails to render his/her decision within the specified time limits, the aggrieved may proceed to the next step.

Section 9.5

The number of days indicated at each step shall be considered as maximum. The time limit specified may, however, be extended by written agreement of the parties.

Section 9.6

If a grievance meeting at any level is scheduled at a mutually agreeable time during the workday, the aggrieved and his/her representative shall be released for the period of the meeting without loss of pay.
