Dear Parents/Guardians,

We have recently been notified of a positive COVID-19 case specific to East Lyme High School. Contact tracing has begun, and we will reach out to any individual deemed a primary contact in this case. **East Lyme High School will remain open since the last time this individual was onsite was October 6, 2020. Additionally, there is no impact on any other buildings related to this specific high school case.**

Those individuals identified as primary contacts at the high school will be contacted directly and emailed a follow-up letter regarding quarantining measures that they will need to follow.

Please continue to be vigilant of any signs of illness or exposure to COVID-19 for you or any member of your family. Your ongoing diligence will help us stay on top of continued transmissions while we safely maneuver through the impact of any further cases that may come forth. If additional COVID-19 infection cases occur, we will continue to act immediately and engage in the steps that may need to be taken as it pertains to possible temporary closures and staff/student quarantining.

As always, if you have any questions, feel free to reach out to the school administration team or contact our Central Office.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
