

Non-Instructional Operations

Transportation

The Board of Education will provide transportation for students under provisions of state law and regulations. In determining the provision of transportation, the Superintendent of Schools shall consider the guidelines contained in this policy and shall administer the operation so as to:

1. provide for the safety of students, including consideration of hazardous conditions whether or not described in this policy;
2. address student conduct while on school transportation, consistent with the Board's student discipline policy; and
3. assist disabled students by providing appropriate specialized transportation when required by law.

The Board of Education, through its Superintendent, will adopt and maintain administrative regulations to implement this policy.
