and Growth Management

East Lyme Public Schools will inspire, engage and educate each student to become a contributing citizen and a responsible, independent, and critical thinker.

April 13, 2018

Dear ELPS Parents/Guardians:

Thank you to those who attended last night's Board of Education Community Forum regarding elementary redistricting beginning the 2019-2020 school year. Your input was greatly appreciated and will be considered as we discuss next steps forward.

The Board of Education will continue deliberations and will adopt a preferred redistricting option before the end of this school year. We remain focused on balancing elementary enrollment, ensuring the long term sustainability and future growth of our elementary schools, while also continuing to bring forth a parallel education for children across all three schools.

We encourage all elementary school parents to view our [Redistricting Webpage](#) (under Quick Links) for the most current information and maps regarding the movement of students and residential areas across the three elementary schools. A designated email address, elpsredistrict@elpsk12.org, has been established for your questions and comments as mentioned at the forum. Responses will be posted to our redistricting web page.

Thank you for your continuing support of our schools.

Sincerely,

Jeffrey R. Newton
Superintendent of Schools
