Dear ELPS Parents/Guardians:

This past Monday evening the Board of Education took action and voted to delay any elementary redistricting for the 2017-2018 school year. All current and factual information pertaining to the redistricting planning work that has already been done can be found on our website at the following link: www.eastlymeschools.org.

Please keep in mind that no elementary school construction will take place during the 2017-2018 school year. Construction will begin during the summer of 2018, as next year is for planning and project development.

As always, please feel free to contact me if you have any questions.

Regards,

Jeffrey R. Newton
Superintendent of Schools
