Assignment Detail

- Shows all you need to know about an assignment - your score, how many points it is worth, the due date, and more.
Click the Reports link on the left side of your portal window.

Reports will appear in the middle of your window. Double click a report to open.

You will not see anything here right now because you don’t have progress reports and report cards yet.
Click the **Attendance** link on the left side of your portal window.

View either daily attendance details or a summary by course.
Click on the To Do List as a quick way to see assignments.

Past due assignments are listed in red, up and coming assignments in black.

The calendar is one of two ways a student can view assignments and grades. The calendar view is most useful in viewing upcoming assignments for those teachers who choose to enter assignments in advance.

Grades...

- Grades are now “live” with Infinite Campus, meaning that you are able to see up to date marks as your assignments are graded. PLEASE UNDERSTAND THAT YOUR TEACHERS ARE PEOPLE TOO, AND GRADING ASSIGNMENTS IS NOT INSTANTANEOUS. Just because you turned something in does not mean it will be instantly recorded in your grade book. Long term projects and papers may take longer for teachers to grade. Please be patient!
