Dear Parents and Guardians,

In the attempt to be more efficient amid budgetary restraints and fewer buses; to accommodate our transportation needs for the 2020/2021 school year East Lyme Public Schools will be offering shuttle service from East Lyme High School for Vo-Tech and some of the local Magnet Schools. The shuttle will be the only transportation provided for these schools in the 2020/2021 school year and moving forward. Please see the attached information sheet for shuttle details.

If you would like your child to ride the shuttle, please complete the attached form so that we may have an accurate list of ridership and to ensure safety. Please return the form to Karen Armstrong at karen.armstrong@elpsk12.org or mail to 165 Boston Post Road, East Lyme, CT 06333, Attention: Karen Armstrong; by July 15, 2020.

We hope this letter serves to provide ample time for families to prepare for this change next school year.

Sincerely,

Kimberly A. Davis
